

Stafford Primary PTSA 2009-10 Annual Fund Form

Stafford's Parent-Teacher-Student Association offers critical programs and services to help improve the quality of your child's education.

Rather than asking our children to sell products to raise money for these programs, Stafford PTSA asks families to contribute to an Annual Fund and participate in an auction every three to four years.

The Annual Fund typically generates about \$14,000-\$18,000 per year through donations. The auction, which generated about \$89,000 in the spring of 2009, supplements the Annual Fund for a few years.

PTSA has budgeted \$50,350 to pay for this year's programs, which is about \$100 per student.

With your contribution to the Annual Fund, the PTSA can continue to provide these programs. And by joining Stafford's PTSA, you have the opportunity to determine the programs PTSA offers your children. Please consider a donation today to show your support for the students and teachers at Stafford.

PTSA-FUNDED PROGRAMS + SERVICES

- Science Teacher in Residence + supplies
- Spanish Teacher in Residence
- Art Literacy + Artist in Residence
- Teacher grants for supplies
- Grade-level grants for special projects
